

Exceptional Care for Russian-Speaking Older Adults in San Francisco

L'Chaim Adult Day Health Care offers a comprehensive program offering medical, therapeutic, and social support in a community-centered environment rooted in Jewish values.

Our day program, located in the heart of San Francisco's Sunset District, provides:

- Medical and therapeutic care
- Rehabilitative therapy
- Social work and support services
- Nutritious, culturally-familiar meals
- Daily transportation
- Cultural life and social activities

Interested? We're here to help.

Our staff speaks Russian, Ukrainian, Armenian, and English.
